### INTRODUCING OUR IN-HOUSE SHAMAN, MARY RAYMAKERS

Come meet Master Sacred Shaman Mary Raymakers. Mary's expertise comes from training with shamans all over Peru. Now she offers shamanic sessions in Jackson Hole at Medicine Wheel Wellness. For over 20 years Mary has been healing people using the purest methods given by Celestial Beings to the ancient Incan spiritual masters combined with the latest cutting-edge methods, receiving rave reviews from clients all over the world.

For more information about Mary, visit [MaryRaymakers.com](http://MaryRaymakers.com).

*"When I talk about Mary, I just call her 'Miracle'!"*

### ENDORSEMENT BY TERRY REAL—FORMER GOOD MORNING AMERICA RELATIONSHIP EXPERT

Mary Raymakers was a workshop participant herself. Deeply inspired by our work, she began professional training. On their own, other trainees began asking Mary to work on them and their reports were so remarkable that in 2007 we asked Mary to offer her services as part of our Relational Life Institute. Since then, hundreds of people have worked with her, and the feedback has been overwhelmingly conclusive: my patients and I love Mary and the results of her work with them!

We make no claim to understand why Mary Raymakers' work seems to move people so deeply. Certainly our work has no particular alignment with the beliefs of an indigenous spiritual healer. However, for years we have been pleased to offer this modality to support those who wish to participate in the daily practice of living relationally.

SHAMANISM USES THE SACRED ENERGIES IN NATURE TO ERASE AND REMOVE BURDENS, AND QUANTUM PHYSICS NOW VALIDATES THAT THESE ENERGIES THAT SHAMANS TAP INTO FOR HEALING ARE REAL AND ALL AROUND US.

### SHAMANISM AND BEYOND, PART 1 MARCH 12

- The anatomy of your energy field that holds the key to your health and aging
- The tie between your spiritual body and your physical body for health
- How you can lose a piece of your soul, how you can recognize if a part of you is missing and how to get it back

### SHAMANISM AND BEYOND PART 2 MARCH 26
